The report must be returned to seller immediately following the examination. Failure to return written report within 24 hours of exam invalidates this contract. If there are no puppies available, one will be provided from the next available litter whelped. If a buyer chooses a puppy of greater value, then he/she will be responsible for the cost difference. To make a claim you must return your puppy to us within 7 days of purchase. Also, provide a signed statement from the veterinarian proving date of examination and an explanation as to why the puppy is a poor health risk. The statement must include a description of the symptoms supporting the opinions. There will be no refund on shipping charges, miscellaneous charges necessary for transportation of puppy to/from this location.

Note: There is no GUARANTEE against Coccidiosis, Parasites, Elongated Soft Palate, and Viral or Bacterial Infections. We do not cover Cherry Eye, Entropion or Demodex due to the fact that this is very common in Bulldogs.
